

UM MILHAR CORREU NO 1º DE MAIO

A prova comemorativa do 1º de Maio, organizada pela União dos Sindicatos de Lisboa, com o apoio técnico da Xistarca, voltou a conhecer os seus tempos de glória, registando mais de um milhar de participantes, que consagraram as vitórias de Humberto Alves, do União Caparica e de Janette Mayal, uma repetente no mais alto lugar do pódio.

Mas esta competição viria a ser marcada por um facto bem desagradável, já que o atleta soviético que, entretanto, havia assegurado a segunda posição, foi vítima de um acidente com uma viatura, cujo condutor não respeitou o desenrolar de uma iniciativa desportiva.

No final registe-se um número agradável de concorrentes chegados ao fim numa prova que teima em integrar o leque das mais tradicionais corridas pedestres.
